

HEAVY RAINS IN KENTUCKY.

Over Ten Inches Has Fallen in Past Forty-Eight Hours.

Stirling, Ky., March 11.—Over ten and a quarter inches of rain has fallen in eastern Kentucky. Licking and Red rivers are raging torrents, the Licking river having a 24-foot rise today.

Over 200,000 logs have passed into the booms along the rivers, and one hundred thousand more are running in the streams. The Licking river railroad and the Lexington and Eastern railway have both been damaged. The former lost a large trestle by a rise of water in Cany creek. Salt Lick on the Licking and Beattyville, on the Kentucky, are in danger of being inundated and residents along the lower courses are moving out. The mill men will get in one half million dollars' worth of timber in the tide.

Sheriff Saves His Prisoner.

Jackson, Miss., March 11.—After hiding in the woods for more than a week and dodging a mob bent on lynching his prisoner, Sheriff Cooper, of Webster county, reached Jackson this morning with Jonas Ward, a negro who acknowledges having committed a criminal assault upon a negress who is expected to die. The sheriff had several very exciting experiences, but succeeded in eluding the mob, composed of several hundred citizens.

Cured Consumption.

Mrs. B. W. Evans, Charwater, Kan., writes: "My husband lay sick for three months. The doctors said he had quick consumption. We procured a bottle of Ballard's Horehound Syrup, and it cured him. That was six years ago and since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal." 25c, 50c and \$1. Sold by W. M. Johnson.

OFFICERS SEIZE DIAMONDS.

Collector of Customs at San Francisco
Confiscate Valuable Gems.

San Francisco, March 11.—Twelve
thousand dollars' worth of diamonds
have been seized by collector of cus-
toms of this port.

Louis Hospital, an agent for a
French diamond firm, had an assign-
ment of diamonds from the firm at Ha-
vana, where he was to dispose of them.
From Havana, Hospital went to Mex-
ico, thence to this city, where he was
arrested, but upon giving up the dia-
monds to another agent of the French
house, he was released and promised
immunity from prosecution by the firm.
The collector of customs then seized
the diamonds in the possession of the
agent and now holds them in his cus-
tody. He is about to begin suit to
condemn and forfeit the diamonds as
smuggled goods on the ground that the
stones were not imported by the own-
er's, but stolen property.

The matter has been referred to the
authorities at Washington for instruc-
tions.

Chas. Drake, a mail carrier at Chap-
inville, Conn., says: "Chamberlain's

this remedy and it completely cured
me." There is no use of anyone suf-
